October 23, 2008

Dear Mr. Logan,

First I want to apologize for the delay in this letter. As you may know, ROVER and our DART team just returned from spending 14 days in Galveston, Texas assisting with animal related issues as a result of hurricane Ike. I find myself still in a catch up mode, as I'm sure you can understand.

We had a great turnout on the day that your organization sponsored and I'm sorry that I missed you that morning. Because of the generosity of Phillip Miller & Associates, the team spayed and neutered 36 animals and provided assistance to 16 families. Utilizing industry standards, if the parents or offspring of these pets had been permitted to have just one litter in their first year over 144 unwanted puppies and kittens would have been born.

Mary Pat sent me a note stating you wanted the address of the ROVER team and I have listed them below.

Dr. Jennifer Hultgren
1900B Shady Brook Street
Columbia, TN. 38401

Marie Gordon
3134 East Lake Drive
Nashville, TN. 37214

Carolyn Whitsitt
3729 Hillbrook Ct.
Nashville, TN. 37211

Lori Cook
2638 Woodberry Drive
Nashville, TN. 37214

Again on behalf of the animals and the families that were helped as a result of your generosity - we thank you.

Sincerely,

Joy Beach
